Dear John

I'm writing to offer my congratulations to you on winning the Best Supplier Award at the recent Scottish Green Energy Awards.

The Scottish Government regards renewable energy as one of Scotland's most important industries, creating jobs and investment opportunities while delivering secure, low carbon and cost-effective energy.

I am pleased that your contribution to the sector has been recognised through an award which is richly deserved.

I wish you all the best for 2016 and beyond.

Fergus Ewing
