4.0 Review and Monitoring

Review of the Primary Legislation will be advised through the Trade Bodies: Association of Diving Contractors, National Workboat Associations, and Maritime Coastal Agency, RBS Mentor Employment Law & HR, together with external Health & Safety Advisors Orcades Marine Consultants Ltd. In addition Leask Marine are members of the British Standards Institution and receive monthly any standards changes that may be relevant to operations.

Monitoring and review of this system will take place in accordance with the internal audit schedule.

Leask Marine also ensures that its offshore operations adhere to the following MCA Code of Safe Working Practises:
